

HOW TO UPDATE YOUR PASSWORD IN DIGITAL BANKING

- Select “Settings” in the top menu, then choose “Update Password.”

The screenshot shows the ChambersBank digital banking interface. At the top, the logo and name 'ChambersBank' are on the left, and 'Good Afternoon, John Test' is on the right. Below the header is a navigation bar with links: Home, Transfers & Payments, Services, Settings (highlighted with a yellow circle), Messages (with a red notification bubble), and Log Out. The main content area is titled 'Settings' and contains three sections: 'MESSAGES & ALERTS' with an 'Alert Settings' option, 'SECURITY' with 'Update Password' (highlighted with a yellow circle) and 'Update Login ID', and '2-Factor Authentication'.

- Enter your current password, then enter and confirm a new password.

The screenshot shows the 'Update Password' form in the ChambersBank digital banking interface. At the top, the logo and name 'ChambersBank' are on the left, and 'Good Afternoon, John Test' is on the right. Below the header is a navigation bar with links: Home, Transfers & Payments, Services, Settings, Messages (with a red notification bubble), and Log Out. The main content area is titled 'Update Password' and contains a 'Back to Settings' link. Below the title is a section titled 'All fields below are required' with a list of 'Password Requirements':

- Must be between 8 and 25 characters
- Must contain at least 1 number
- Password must contain a minimum of 1 lower case character.
- Password must contain a minimum of 1 upper case character.
- Password must contain a minimum of 1 special character.
- Password may not be the same as last 10 passwords.
- May not be the same as current password

Below the requirements are three input fields: 'Current Password', 'New Password', and 'Confirm New Password', each with a 'Show' button. At the bottom is a green 'Update Password' button.
